## MARIAN CHILDREN SCHOLARSHIPS

### GUIDELINES AND REQUIREMENTS

God offers everyone the gift to do this. Those who make an act of faith in humble gratitude to work and show their diligent effort and progress in the spiritual growth in search and love for God and His Church will be chosen and publicly recognized as role models for others.

- Make it a habit to perform daily acts of charity.
- Give thanks, praise and pray to God always; attend weekly Mass and pray the Rosary.
- Write a four-month journal to God (handwritten) in the presence of the compassionate Blessed Mother.
  - Journal entries should be made, preferably every day, or at least every other day.
  - Reflect on what you did well and what you could have done better.
  - Make an effort to correct your mistakes and to reinforce what is good.
  - Keep in mind that everyone is your brother and sister in Creation. God is the Heavenly Father and the Blessed Mother is the loving mother of all, since Jesus entrusted her to care for us and to love us before he departed this life on earth.
  - The Journal (one original Journal per person) will be read by members of the Scholarship committee. While God judges your true effort to do good, the Journal contributes some basic information for awarding the scholarships!
